

# TIMECRITICAL

## AIR FREIGHT SERVICES

### IDEAL SOLUTION FOR SPECIALIZED OR URGENT GOODS

Time Critical Air Freight services are the ideal solution for specialized or urgent goods, that are required to arrive at a location within a strict deadline requirement.

### DAILY WORLDWIDE FLIGHTS

IB Cargo offers you daily flights worldwide, so you can plan efficiently and flexibly your air transports with us.

### AVAILABLE ANY TIME

Our team of logistics specialists are available 24 hours a day, 365 days a year, to provide customized cost and service option tailored for your urgent shipment situation.

### NEXT FLIGHT OUT

The absolute fastest way to get larger amount of freight from one point to the next.

### ON BOARD COURIER

The fastest door to door forwarding service. Maximum 48h to/from anywhere in the world.

### FULL CHARTER

This service puts the customer in full control of the schedule by placing a fleet of aircrafts at your disposal anywhere your cargo is in the world. Your urgent cargo flies where you want, when you want, in the plane you want, and with the extra amenities you choose yourself.
